Donna & Bob Gafford, Owners

This Queen Anne Victorian was built in 1900 as the family home of William H. Haw, who served as the Eureka County Clerk from 1899 to 1907. Later the house was purchased by Stephen Gordon who in 1980 started a mail-order business selling Victorian era hardware. That business grew into what became the Restoration Hardware company, one of the country's greatest business successes. Today, this beautifully restored building is a venue for weddings, events, lodging and vacation rental.
